ILD-IN 2026 **SPONSORSHIP** **OPPORTUNITIES**

4th-5th OCTOBER 2026

Edgbaston Park Hotel, Birmingham

ABOUT US

The Interstitial Lung Disease Interdisciplinary Network (ILD-IN) is a collaborative and supportive community of healthcare professionals from all disciplines involved in the care of people living with interstitial lung disease (ILD).

We're excited to present the sponsorship opportunities for our upcoming annual conference, taking place on 4th–5th October 2026 at the Edgbaston Park Hotel in Birmingham.

This two-day event will feature interactive workshops, valuable networking opportunities, and dynamic discussions designed to inform, inspire, and engage. By bringing together our collective expertise, we aim to move beyond traditional boundaries and deliver a diverse, inclusive programme covering all aspects of ILD, including progressive pulmonary fibrosis (PPF).

We would be delighted to have your support and involvement in what promises to be a truly impactful event.
